**II LIBRARY UPDATE**

4,525 participants in Summer Reading Program. Arlington Reads program is starting soon and will be held once/month for the next few months. All branches are now open except Plaza (due to pre-planned construction.) Sunday hours will hopefully be restored, but not yet, due to hiring/staff shortages. FOAL will draft a letter to the County Board to advocate for better hiring and recruitment of Library staff. All volunteers must provide visual proof of vaccination. The Library has a budget deficit and is requesting \$13,500.

**III BOOK SALE UPDATE**

Marty has thought through the cart set-up in the auditorium and will contract with Bookstore Movers to assist, as usual. Better World Books will clear out leftover books on Monday. Auditorium capacity is 100 people (with the carts in place), so line management will be critical. Maggie will organize volunteers. Teacher discounts will be in place - 50% off Friday and Saturday - must have school ID.
